

09. 대화를 듣고, 남자가 여자에게 부탁한 일로 가장 적절한 것을 고르시오.

W: Hey, Daniel. How many people signed up for our club so far?

M: Fifteen freshmen applied. It's more than we expected.

W: We have a lot of things to do. Let's inform the applicants of the interview schedule first.

M: Susan told me that she would do that.

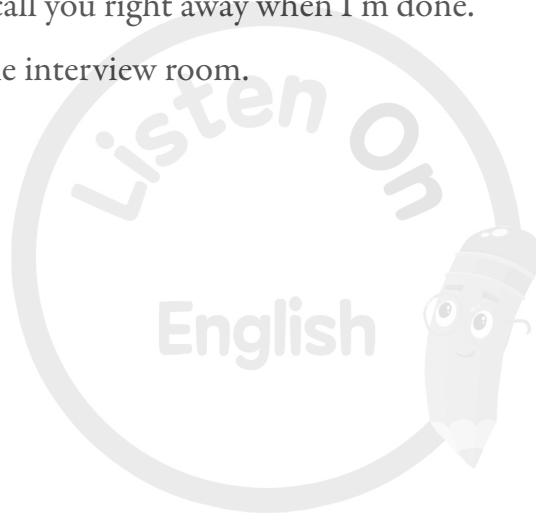

W: That's nice. Then we have to set up the interview room and make some interview questions.

M: Right. Since you were one of the interviewers last year, could you make the interview questions?

W: Sure. I'll make them. I'll call you right away when I'm done.

M: Thank you. I'll prepare the interview room.
