

07. 대화를 듣고, 남자가 지불할 금액을 고르시오.

W: Honey, what are you doing?

M: I'm trying to buy train tickets for our family trip. There are two types of seats available.

W: How much are they?

M: First class seats are 90 dollars per adult and standard seats are 60 dollars per adult.

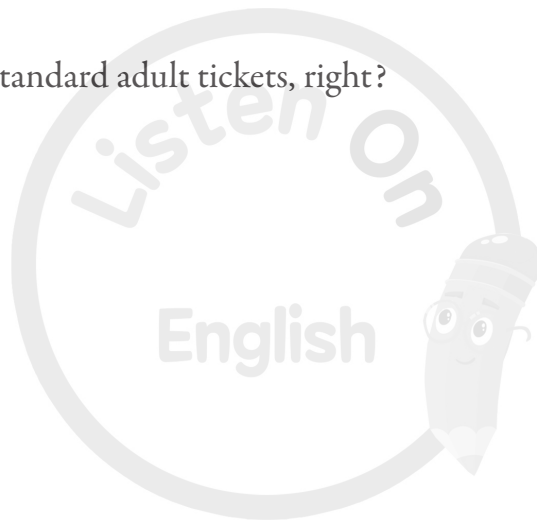

W: We're trying to save money, so let's reserve the standard seats. Is the price different for children?

M: Standard seats for children are 40 dollars. But since Chris is under 36 months, we don't need to buy her a ticket.

W: That's great! So just two standard adult tickets, right?

M: Yes. I'll pay for them.
