W: Philip, our team is supposed to make a presentation next Thursday.

M: Right. We should reserve a study room to prepare for it this Sunday.

W: I found the information online. Look at this list.

M: We are eight people, but two of us will go to the library to do some research. So we need six seats.

W: Then, we have three rooms available. Do we need a projector?

M: Sure. It would be good to look at the presentation file all together and share our thoughts.

W: Okay. Now let's think about how much money we can spend.

M: We don't have much money. So the cheaper one is better.

W: Then, we have only one left. Let's make a reservation.
