

17. 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

W: Hello. Come on in.

M: Hi, Dr. Green. My dog, Lucy, seems to have a problem.

W: What's the matter? Can I look at her?

M: Yeah. Recently, she's been barking at our family and even tries to bite us. I don't know why.

W: Well.... I think your dog is stressed out. Do you take her on walks?

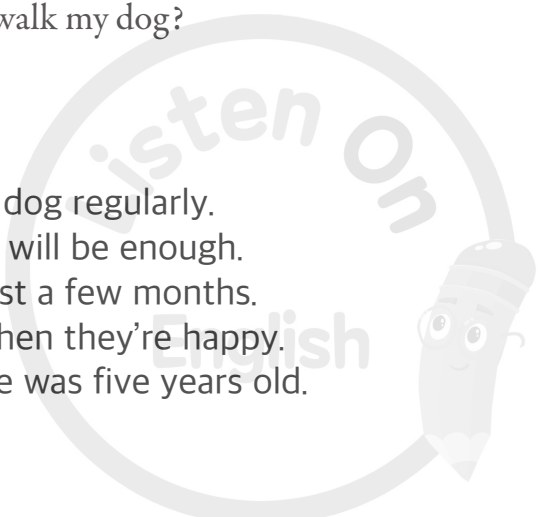

M: We rarely walk her these days because all of us are busy.

W: Dogs need regular walking. By being outside and getting exercise, they're able to relieve stress.

M: Then how often should I walk my dog?

W:

- ① You need to feed your dog regularly.
- ② Once every day or two will be enough.
- ③ It's going to take at least a few months.
- ④ That's what dogs do when they're happy.
- ⑤ I adopted her when she was five years old.
