M: Welcome to Healthy Bike! What can I do for you?

W: Hello. I'd like to buy a bicycle. Could you recommend a good one for traveling?

M: Sure. I recommend foldable bikes. You can take them on public transportation while traveling, if necessary.

W: That sounds good. What's the difference between wheel sizes?

M: The bigger, the faster. I recommend one with at least 20 inches.

W: Okay. I'll take your advice.

M: Do you have any color preference? There are two colors available.

W: I prefer black.

M: I see. Then, this one is perfect.

W: All right. I'll take it.
