

17. 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한것을 고르시오.

W: Hey, Ethan. It's too hot and dry in this office.

M: Is it? I think it's nice and warm.

W: Do you know the proper indoor temperature for winter?

M: Around 25 to 28 degrees Celsius?

W: Actually, it's below 20. You'll get sick if there's a big difference between the temperatures inside and outside.

M: I thought I would catch a cold if the indoor temperature was too low.

W: Not really. You must adapt to the changing conditions. Also, your skin may get damaged if you don't turn down the heater.

M: Oh ... that's why my skin sometimes feels dry and itchy.

W: Look at the temperature. It's 30 degrees.

M: Wow. I didn't realize it was that high.

W: Then you know what to do now, don't you?

M:

- ① I need to go to the doctor for a flu shot.
- ② I should lower the temperature immediately.
- ③ You need to buy a good lotion for your skin.
- ④ You should call a repairman to fix the heater right away.
- ⑤ I should ask the maintenance office to turn up the heater.
