M: Good morning, everyone. My name is Adam Brown. On behalf of the school cafeteria staff, I'd like to ask for your understanding. There has been widespread concern about food poisoning recently. Therefore, we will no longer be serving you any raw or undercooked food. This includes all kinds of meat. Even fruits and vegetables will be boiled and then fully cooked. The taste may be a little different, but we're making these efforts for the sake of your health. We hope you understand, and we'll update you on any changes regarding this situation. Thank you for your cooperation.
