

07. 대화를 듣고, 남자의 의견으로 가장 적절한 것을 고르시오.

W: Peter, it looks like you write things down a lot.

M: Yes. I always record any good ideas that come to mind.

W: I see. Any particular reason for that?

M: I've heard that writing down ideas helps you develop creativity.

W: How's that possible?

M: I write ideas down whenever they pop into my head. They may be simple at first, but they may combine and evolve into creative ones.

W: Interesting. I can see how that could be helpful.

M: Actually there are many creative scholars and artists who always write down even small ideas.

W: You're right. I think I read an article about that.

M: Yeah, you can improve your creativity if you get in the habit of writing your ideas down.

W: I think I should give it a try.
