**W:** Hello, travel lovers! I'm Emma White with the Travel Channel. Today, I'd like to introduce to you the famous Umbrella Festival in northern Thailand. It's a three-day event that takes place every year during the third week of January in honor of local artists. During the festival, the town is decorated with beautiful umbrellas of various sizes and colors. In the morning, there's an umbrella exhibition and a parade where people ride bikes while holding umbrellas. In the afternoon, for only ten dollars, you can participate in a traditional umbrella-making activity. So you can take home a great souvenir. Make sure to check out this magnificent festival.
