W: Honey, why don't we take the kids to the Dinosaur Exhibition this weekend?

M: Dinosaur Exhibition? What's that?

W: It's a special exhibition hosted by the National Science Museum. About 300 dinosaurs are being exhibited.

M: Great. Our kids will like that. How much is the admission fee?

W: It's \$ 20 for adults, and \$ 10 for children.

M: Sounds reasonable.

W: I heard that they even have hands-on activities.

M: Really? What kind?

W: Children can make dinosaurs out of clay and paint dinosaurs on mugs.

M: I'm sure our kids will love going there.

W: And I like the parking lot. It's huge, so parking won't be a problem.

M: Great. It's the perfect place to spend the weekend.
