

01. 대화를 듣고, 남자가 구입할 휴대 전화 케이스를 고르시오.

M: Hi. I'm looking for a cellphone case.

W: All right. These cases with a bear or a rabbit on them are new and popular.

M: The animal cases are not my style. Can I see other designs?

W: Then, how about this one with a smiley face?

M: Oh, I love the smiley face! And I like the ribbon on the top of it, too.

W: We have another smiley face case with the word, 'Happy'.

M: Hmm..., I like the smiley face case with a ribbon better. I'll take that one.

W: Good choice.
