M: Welcome to Aiden's Electronics. What can I do for you?

W: Hi. I'm looking for bluetooth earphones.

M: Okay. These are the five models we carry. Do you have any particular brand in mind?

W: No, but I want earphones with a battery that lasts at least three hours. It takes me more than two hours to go to work.

M: All right. Are you interested in wireless charging?

W: Yes. It'd be nice to charge my earphones without connecting to a charging cable.

M: Got it. What about the price?

W: I definitely don't want to spend more than \$100.

M: No problem. Then you are down to these two. This model comes with a silicone case cover, and that one comes with a leather case cover.

W: Well, I don't like the feel of the silicone. It feels weird.

M: Then, this is the model for you.

W: Perfect. I'll take it.
