**M:** Philip goes to a bookstore to buy a recently published book titled *The Psychology of Everyday Affairs*. While Philip is looking for the book, he happens to see an advertisement poster on the wall. It says that if people sign up for a membership, they can get a 10% discount on books. At the counter, he meets Megan, who works at the bookstore. He tells her that he wants to become a bookstore member to get a discount on the book. However, Megan knows that the membership discount is only for books that were published more than a year ago. Even though Megan doesn't want to disappoint Philip, she has to tell him that he cannot get the discount on the book he wants to buy. In this situation, what would Megan most likely say to Philip?

- ① You can sign up for our membership and get a discount.
