

15. 다음 상황 설명을 듣고, Brian의 어머니가 Brian에게 할 말로 가장 적절한 것을 고르시오.

W: Brian is a high school student. He has only traveled with his family before. Until now his mother has always taken care of his travel bag, so he doesn't have any experience preparing it himself. This weekend, Brian is supposed to go on a school trip with his friends. He asks his mother to get his stuff ready for his trip this time, too. However, she believes Brian is old enough to prepare what he needs, and she thinks this time is a great opportunity for him to learn to be more independent. So, she wants to tell Brian that he should get his things ready and put them in his bag without her help. In this situation, what would Brian's mother most likely say to Brian?

Brian's mother: _____

- ① Make sure to call me whenever you go somewhere new.
- ② School trips are good opportunities to make friends.
- ③ I believe traveling broadens your perspective.
- ④ How about carrying the luggage on your own?
- ⑤ Why don't you pack your bag by yourself for the trip?
